1941 New Crop of Native Peach Pits, \$2.50 per bu.  
Write for Quotations in Lots of 50 Bushels or More*

**TERMS AND CONDITION OF SALE:**

All orders are accepted subject to crop, and we take no responsibility for any loss caused by weather, or other conditions over which we have no control.

**TERMS:** Our terms are 2% discount and free packing for cash in advance of shipment: 2% 10 days, or 30 days net from first of month following date of shipment. The above terms apply to all customers unless otherwise agreed.

**SHIPPING:** We pack all our stock with the greatest care, and our responsibility ceases when the stock is delivered to the carrier, and we will not entertain any claim made for shortage, or anything else unless same is filed within 10 days from the receipt of goods.

**OUR GUARANTEE:** We exercise the greatest care in keeping our varieties true to name and absolutely do not substitute unless so instructed by the purchaser, and then all varieties are labeled exactly what they are, and in case of any mistake on our part we will not be responsible for any damage beyond the purchase price of stock sold.

Prices quoted in this list cancels all others, and are subject to change without notice. All boxing and baling will be charged at cost in addition to the price of stock.
